To Whom It May Concern:

Tri-State General Contracting has been utilized to provide project and general repair services for several years with Burlington Northern Santa Fe Railway. The service received has always been professional, timely and commendable. Mr. Reynosa has built his business on strong moral ethics which has made Tri-State successful. Jerry is a man of integrity and expects the best out of his employees. Tri-State offers a broad range of services and has the staffing necessary to respond quickly to any repair needs that surface daily. Tri-State has a outstanding reputation with BNSF through their hard work and professionalism I would not hesitate to recommend Tri-State to anyone who has a need for any of the services you provide. If you need to speak to me directly you may contact me at frank.blakenship@bnsf.com or at 817-584-7722.

Sincerely,
